

Sentence Variety Worksheet

Often in English, you can use different sentences with different grammar to say the same thing. Study the two example pictures (with sentences) below.

David Recine for Magoosh.com

She sipped milk from
a coconut.

She sipped coconut
milk.

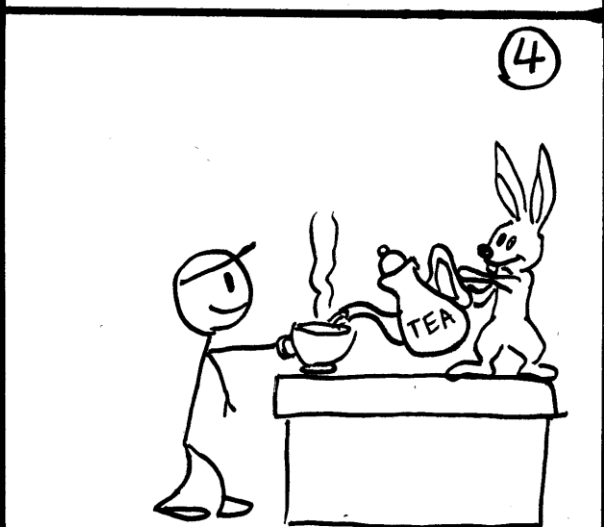

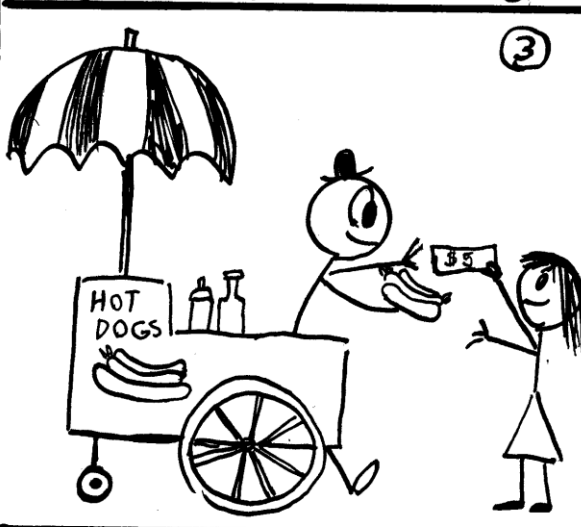

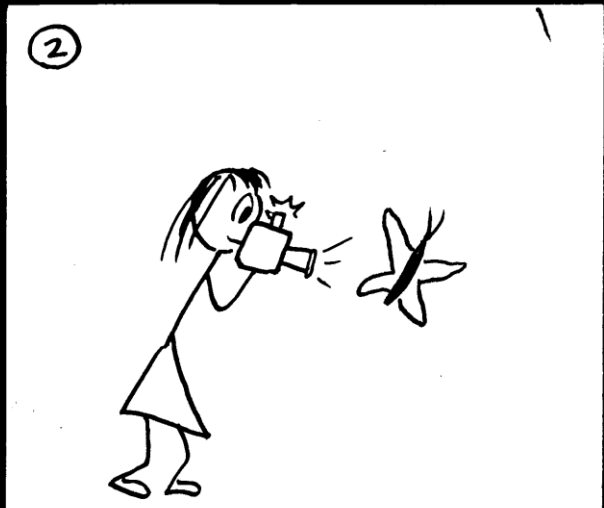

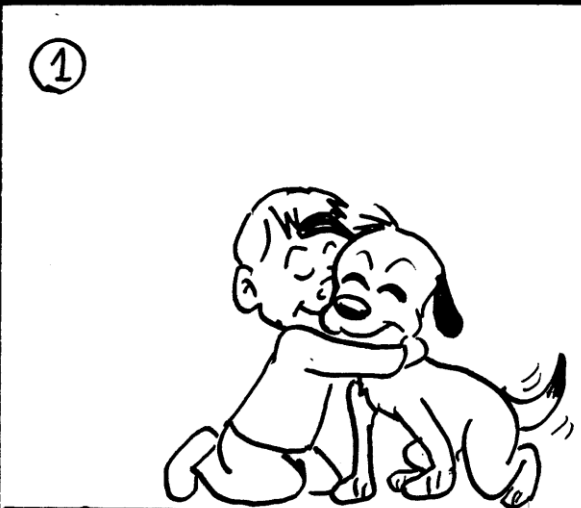

David Recine for Magoosh.com

The man gave the octopus
a kiss.

The man gave a kiss to the
octopus.

The man kissed the octopus.

Following the examples above, come up with different sentences to explain the four pictures below. How many sentences can you make for each picture?

Once you've done that, do more practice with pictures you find on the Internet, in newspapers, and in magazines
